

WAY TO GO DURHAM

Save money and fuel when you start commuting in a Commute with Enterprise vanpool!

Vanpools are groups of four or more who share a similar commute in a vehicle maintained by Commute with Enterprise. Each vanpool group is customized to the riders: choose your own route, schedule, and pick-up points.

New groups are eligible to **receive up to \$1,500 towards their monthly fare**, which includes the maintenance, insurance, and vehicle itself. The subsidy often covers all operational costs!
