

Share the Ride NC connects you to the best transportation options for all of your commutes.

This free commute management tool will help you:

- ▶ Identify potential matches for carpooling, vanpooling, biking, and walking through a secure and friendly online database.
- ▶ Plan which bus and bus stops to use for your transit trip.
- ▶ Win prizes for commuting with GoPerks.

How to Get Started:

1. Register online ShareTheRideNC.org.
2. Enter your commute and view your match list.
3. Start commuting!

Emergencies Happen:

The Emergency Ride Home program has you covered for when you have an emergency on those days you take the bus, share the ride, or bike/walk to work. This provides a **FREE** taxi ride when you or a family member gets sick, or even if you have unscheduled overtime. Registration is free at ShareTheRideNC.org!
